

The

Essentials

Everything you need for your space, inside and out.

One Call and You're Ready to Work

With other providers, when you order a portable office or storage unit, that's all you get — an empty box. Then it becomes your job to fill it with the furnishings, fixtures and other items you need to make it functional. Not so with Mobile Mini. We provide the units, plus everything else you need to get them ready, so your people can use them right away. We even provide key items you need to make your entire jobsite productive. All this is called The Essentials, and it couldn't be easier.

- + Working with one source for everything saves valuable time and money.
- + We handle ordering, delivery, setup and return; you can stay focused on your project.
- + Eliminate startup headaches by having one consistent offering and one bill.
- + Make one call to us and suddenly you have a lot less to worry about.

Every Detail, Handled

Mobile Mini is a leader in workspace solutions. We know portable offices and storage units like no other company, and our experts know how to best configure them to meet any need and budget.

We offer a breadth of ready-to-go Essentials packages that cover the most typical needs. Plus we provide these packages at multiple levels, from simple, quality furnishings that accommodate your construction teams, to more premium options suitable for entertaining customers and VIPs. We also offer a full range of items à la carte to finish out your space. Even beyond our portable units, we can provide Essentials for your total jobsite, from fencing and forklifts to restrooms and reefers. You need it? Chances are we've got it.

Office Packages

Whether you need a clean and simple office for a shared workspace, a higher-end professional look and feel, or a full-on collaborative environment for project managers and other senior staff, we've got The Essentials to meet your needs.

A mobile office trailer interior. The room is brightly lit with a white ceiling and walls. On the left, a large whiteboard is mounted on the wall. In the center, a white folding table is set up with four black folding chairs. A yellow safety vest is draped over one of the chairs. On the table, there are two silver thermal cups and some papers. In the background, a window with blinds is visible, along with a round analog clock on the wall. To the right, a large projection screen is mounted on a stand, displaying a technical drawing or blueprint. The floor is a light-colored, speckled material.

Conference, Planning and Café Packages

Portable Container Lights

Outside lighting makes your unit visible and secure. Inside lighting makes the interiors bright, inviting and functional. Mobile Mini makes it all super-easy.

Features

MOTION SENSING

Save energy by having the lights turn on and off only when needed. The sensor beam is adjustable so you can dial in the functionality you want.

ULTRA-BRIGHT LED

Each 600-lumen fixture brightly illuminates its surroundings, so your people can clearly see exterior doors and locks and internal workspaces and supplies.

WEATHERPROOF

With an IP66 dust and water rating, our lights are built to perform through the harshest conditions. Extreme temps, bad weather — the lights stay on.

MAGNETIC

Place lights anywhere you need them, no fasteners required. The magnetic backing readily adheres to our metal storage and office units.

BATTERY OPERATED

Cut the cord and experience ultimate mobility with battery power. No other power connection needed.

INTERIOR OR EXTERIOR

The same lights can be used inside or out in the elements. They're a quick and easy way to make your whole space bright, secure and functional.
